There are also residents that quietly contribute invaluable assistance to improve the estate e.g. weekly litter picking, reporting issues to Fingal, contacting politicians etc.

Text Alert/Security Update

We liaise with Community Gardai - *meeting requested*

Residents need to call Gardai to get issues recorded and advise us.

Residents should also contact local politicians. The more reports they receive the more likely they are to act.

Recent issues: *Cars being checked*

Riverwood Alert service:

336 people are registered with the service.

We considered move to WhatsApp Community Group though it would expose phone numbers to all.

Fingal & Estate Maintenance

Leaf mould cages - LLEG installed one in Nov 2023, we arranged for two more in Sept 2024. Filled by committee member and litter regularly removed.

Road sweeper - arranged for 8 week cycle but often missed.

Clean Up Day - May 2024 - turn out was not good. Need coordinator for each street to boost participants.

Tennis

Saturday classes very popular - *These generally book out very quickly. We promote each term (4 per year) on our website and Facebook page.*

"Beginner Adult lessons" and "Women Try coaching" - *started in August 2024 and new term started last week.*

Enjoy Tennis programme - *we helped gather expressions of interest for the classes for children on the autism spectrum. The programme was expanded and repeated a few times.*

Finance

Current status - approximately €600 in bank account, most of which was collected from Copse/Chase/Glen in early 2000s.

Outgoings:

- Annual charge for text alert phone: €100
- Room rental - €18

Website cost of €75 per year is sponsored by Damien.

Committee elections

The residents association needs new committee members to rejuvenate it.

Who is willing to join the committee?

AOB

Do you have any items you would like to discuss?

Thank You
